## CENTER FOR ETHICS

### Directions

- **From the main entrance to Emory on North Decatur Road** (at Emory Village, the intersection of Oxford Road and North Decatur), turn through the Emory gates into campus. You will be on a traffic circle "roundabout" – under construction. Continue to the left around the circle and then straight onto Dowman Drive which will take you by the main Administration Building and the B. Jones Center. Continue straight down the hill to the stop sign. Turn right on Eagle Row, which will fairly quickly make a turn toward the left. The Peavine Visitor Parking lot will be immediately on your left after the turn. When you exit the parking lot on foot you will turn right on Eagle Drive for a very short distance and then turn left on Dickey Drive. It is a short walk to the Center, which will be on your right at 1531 Dickey Drive. The Center is on the first floor.

- **From the intersection of Clifton Road and Houston Mill Road**, take Clifton Road toward campus to Asbury Drive. Turn right on Asbury Drive. It will turn into Eagle Drive; continue down Eagle Drive. You will see Peavine Parking Deck on the right (WoodPEC/Physical Education Center will be on your left). Visitor Parking is at the far end of this very large parking deck, but please check to see if the parking deck gates are "up" into the regular deck. If so, please park there. If not, please continue to the visitor parking lot. When you exit the parking lot you will turn right on Eagle Drive for a very short distance and then turn left on Dickey Drive. It is a short walk to the Center, which will be on your right at 1531 Dickey Drive. The Center is on the first floor.
