Organization’s Mission Statement:

Our mission is to serve individuals and families in the poorest communities in the world. Drawing strength from our global diversity, resources and experience, we promote innovative solutions and are advocates for global responsibility. We facilitate lasting change by:

- Strengthening capacity for self-help
- Providing economic opportunity
- Delivering relief in emergencies
- Influencing policy decisions at all levels
- Addressing discrimination in all its forms

Guided by the aspirations of local communities, we pursue our mission with both excellence and compassion because the people whom we serve deserve nothing less.
Summary of organization’s primary programs and services

CARE is a leading humanitarian organization fighting global poverty. We place special focus on working alongside poor women because, equipped with the proper resources, women have the power to help whole families and entire communities escape poverty. Women are at the heart of CARE’s community-based efforts to improve basic education, prevent the spread of disease, increase access to clean water and sanitation, expand economic opportunity and protect natural resources. CARE also delivers emergency aid to survivors of war and natural disasters, and helps people rebuild their lives.

Intern’s title:
Education and Adolescent Empowerment Intern

Number of interns:
1-2

Internship project/job description:

CARE’s Education and Adolescent Empowerment Team is currently seeking an intern to support team activities. The intern will be a full member of the Education team and will attend meetings and work in close collaboration with the Program Officer, Knowledge Management Advisors, and Technical Advisors. During this highly participatory internship, he/she may be asked to perform the following duties:

Provide critical editorial feedback on strategic documents and communications;
Develop documentation and review of lessons learned and best practices in girls’ education;
Document new areas of thematic approaches dealing with different aspects of education;
Support various grant activities, including workshop support, knowledge production, and strategy research;
Actively participate in the full range of information synthesis, strategic planning and design stages of program proposals as they arise;
Develop, streamline and/or edit websites and shared document drives;
Analyze data collected in CARE Country Offices; Perform administrative duties as required.

**Qualifications:**

- Graduate student with knowledge/understanding of international development issues, political science, education, non-profit/non-governmental administration, or a related field
- Proficient in research from a myriad of sources and databases
- Excellent writing skills
- Good organizational skills
- Good troubleshooting skills
- Ability to work well with others or independently
- Proficiency in using various computer applications, including Microsoft Office applications and Internet Explorer

**If there are other requirements for this position (security check, drug screen, immunizations, etc.) please note them here:**

n/a
