New American Pathways is a local 501(c)3 nonprofit that helps refugees from the moment of arrival in Georgia through their journey to citizenship. Our specially designed programs provide proven pathways for refugees and other immigrants to realize their full potential and dreams as they build new lives. Our comprehensive model is unique. We begin with resettlement services and offer steady guidance and advocacy for each family as they pursue jobs, education, cultural integration, individual and female empowerment, and whatever each person needs on their pathway to succeed. By matching peoples' unique assets with opportunities in the community, we ensure that each new American we serve can succeed, strengthen the American workforce, and help Georgia thrive.
