

Thou *Shall* Not See: Ethics and Prohibiting Images

Much as certain words are prohibited because they are deemed dangerous or degrading, some images are also considered too threatening to produce, distribute, or view.

What is the nature of such illicit images? What fears or concerns justify forbidding them? Though beauty may be in the eye of the beholder, some images flirt with truth and justice, while deepfakes misconstrue and lead astray. Join us for a heartfelt conversation about controlling—even banning—what we might see.

Conversation Host

Jonathan K. Crane, PhD
Dir, Ethics Across
Traditions Program

Laura Asherman, MFA,
Dir, Ethics & the Arts Program

Henry Kim, MPhil
Dir, M. C. Carlos Museum

Adam King, PhD
Dir, SC Institute of Archaeology
and Anthropology
